We regret that our Travel Insurers, in common with most travel policies, now include a Communicable Diseases Exclusion that means that should a trip be cancelled, or losses occur due to postponement, or additional costs be incurred due COVID restrictions or quarantine requirements imposed by a government, these additional costs or losses will not be covered by insurance and will not be met by the school and therefore all payments are non-refundable.

PGL's own Insurance policies are included in the cost, more information can be found on the links below:
