# Attendance Policy and Registration Procedures

This policy applies to the whole school, including the EYFS

## **Policy statement and aims**

School attendance is critical to academic success and social and emotional development. Children with poor attendance tend to achieve less in both primary and secondary school, with a cumulative effect. Regular or persistent absence can also indicate a pupil welfare issue. We ask parents to familiarise themselves with this policy, and to help us to promote the standards of attendance and punctuality which are essential for an orderly school environment where all pupils can get the maximum benefit from their education.

Our aims are:

- To develop and maintain a whole school culture that promotes good attendance
- To ensure, as far as possible, that every pupil can benefit from and make their full contribution to the life of the school
- To build strong relationships with families, encouraging them to take an active role in promoting good attendance and punctuality
- To respond proactively to non-attendance and/or lateness in a proportionate and targeted way
- To work closely with pupils, their families and, if appropriate, the local authority where attendance becomes a concern

We expect the highest standards of attendance and punctuality, reflecting our commitment to wellbeing and achievement. Our minimum target is 98% attendance for every child, and we appreciate the support you give us in ensuring your daughter is present whenever she is well enough to attend.

Registration is required by law at the beginning of each morning session and during the afternoon. The keeping of attendance data is essential for the care of the pupils' academic progress and for reporting on it. It is also a pastoral, welfare and health and safety matter for the school to know when pupils are or are not on the premises.

We are aware that at times, absence due to illness is unavoidable and necessary but regular and punctual attendance at school is both a legal requirement and crucial to your daughter's achievement. Over the course of a year, where a pupil's attendance is below 90%, it is the equivalent of missing 19 days of school (nearly 4 weeks or 114 lessons per year). We expect the highest standards of attendance and punctuality, reflecting our commitment to wellbeing and achievement.

## **Key contacts**

The senior leader with overall responsibility for attendance at the school is Taiana Hathway (Deputy Head Pastoral). For day-to-day attendance matters in the senior school, please contact your child's form tutor or the relevant Head of Year. For day-to-day attendance matters in the junior school contact Kelly Powell (Deputy Head Pastoral of Junior School).

## **Regulatory framework**

This policy meets the school's responsibilities under the Education and Skills Act 2008, the Education (Independent School Standards) Regulations 2014, and the School Attendance (Pupil Registration) (England) Regulations 2024.

The school has regard to the following statutory guidance and advice:

- To arrange medical and dental appointments out of school times wherever possible
- To arrange holidays out of school term time
- To make any application for authorised leave of absence at the earliest opportunity and at least **3 days** in advance
- To speak to relevant members of staff if they know of any problem which may affect their child's attendance or punctuality

### Leave of absence

Leave of absence can only be authorised by the Head and may only be permitted in exceptional circumstances. Parents should submit their request to the Head no later than three days prior to the date of absence. If an absence is authorised in advance parents will be notified and an absence note will not be required on return.

### Action on school absence

It is the parents' responsibility to email or telephone the school concerning the reason for a pupil's absence on the **first day of absence** and to provide such further information as may be required. Parents can call the main office or email the school. For senior school pupils parents should email: [attendance@bro.gdst.net](mailto:attendance@bro.gdst.net) For Junior school pupils parent should email [attendancej@bro.gdst.net](mailto:attendancej@bro.gdst.net) . If the school is not notified of a pupil's absence the absence will be investigated and a call will be made to parents. Parents are informed if absences are recorded as unauthorised. The school will remain in contact with parents on a regular basis until the student returns. If a pupil is absent for 5 or more consecutive days the school will request a medical note.

We do not provide work for pupils who take unauthorised absence or who are too ill to attend school to allow them time to recuperate. Subject teachers will help them catch up on their return if necessary. If an absence is planned in advance and authorised, the pupil/parent must approach individual members of staff for guidance. In the senior school, if an absence occurs, it is the responsibility of the pupil to make up any lost work.

### Monitoring and analysing attendance data and addressing issues

The school has systems to track absence and reasons for absence at an individual level and by cohorts or groups. Analysis includes lesson as well as school attendance, and punctuality both for am and pm attendance and for lesson attendance. The data is monitored and analysed regularly and over a range of time periods (short term/half termly/termly/annually) to trigger early intervention to address issues, trends or patterns.

Attendance thresholds and typical interventions (*please note some steps do not apply to Junior pupils*):

Below school target	Below 98%	Senior School form tutor discussion with pupil where attendance falls between 95-98%  Junior School class teacher discussion with parent where attendance falls between 95-98%
At risk of persistent absence	91-92%	Flagged at pastoral meetings, discussion between teacher/form tutor and parents. Head of Year/Phase Leaders email home where attendance falls between 90-95%.
Persistent absence	90% or less	Letter home, pastoral meeting to discuss appropriate targeted support. Referral to Bromley Education.
Severe absence	50% or less	More intensive support including referral to external services.

All measures will be regularly reviewed and stepped up if there is no improvement to the situation. Where a whole family response is appropriate, this is likely to include a voluntary early help assessment. Ultimately if voluntary support is not effective the school will work with the local authority to put more formal measures in place. Persistent or severe absence is always treated as a potential safeguarding risk.

### **Persistent or severe absence**

Where absence or a pattern of absence appears to be at risk of becoming problematic, the school will meet with the parents to discuss how to support the pupil and remove barriers to attendance where possible. This may include referrals to external services and other organisations. These actions will be regularly reviewed and stepped up if there is no improvement to the situation. Where a whole family response is appropriate, this is likely to include a voluntary early help assessment. Ultimately if voluntary support is not effective the school will work with the local authority to put more formal measures in place. Persistent or severe absence is treated as a safeguarding risk.

### **Reasons for absence**

### Illness

Parents are requested to inform the school on the first day if their daughter is ill. The school notifies parents if a pupil is ill and needs to go home during school hours.

### Medical and Dental Appointments

Routine visits to the dentist, optician etc., should be arranged during school holidays or out of school hours. Authorisation for medical and dental appointments can be given in an emergency or other unavoidable circumstances. Notification of appointments e.g., appointment card and hospital letter should be sent in and recorded.

### Bereavement

It is helpful if we are informed of family bereavement so that we can offer students sympathetic support. Absence under such circumstances will, of course, be authorised.

### Religious Observance

Absence can be authorised on a day exclusively set apart for religious observance by the religious body to which a pupil's parents belong.

### Family/Domestic Problems

Looking after other children, minding the house, or shopping within school hours are not acceptable reasons for absence under the law.

### Special Occasions

Exceptional occasions may be sanctioned through authorised absence. Such events might include a sibling's graduation or family wedding. Attendance at celebrations for wider family members will be considered unauthorised. Attending sports events or concerts are not sufficient cause for authorization.

### Holidays

Holidays in term time are very strongly discouraged and will normally be recorded as unauthorised.

### Study Leave

Study leave may be authorised during the official examination period for Years 11 and 13 only. A letter is always sent to parents before study leave commences. Parents are asked to note carefully the dates on which study leave commences.

Although most pupils prefer to study at home during examination periods, there are always study facilities available in school for those who wish to work in school. Pupils must sign in and out at the office. Authorisation for absence for studying will not be given for periods outside those indicated to parents.

Study leave is a privilege which may be withdrawn if a pupil seems unlikely to use the time profitably.

### Work Experience

Pupils in Years 12 and 13 are encouraged to gain work experience during the school holiday periods. In addition to this there may be a period of work experience for specific year groups scheduled on the school calendar.

## **SIXTH FORM**

It is important to note that at Bromley High School, sixth formers are registered as every other pupil. Sixth formers must attend school every day, arriving in time for morning registration and remaining in school until 3.45pm. Sixth formers are permitted to leave the school site during lunchtimes but

must sign in and out at the office. Regular appointments, driving lessons etc. should be scheduled outside of school hours unless there are exceptional circumstances. Should a pupil be unable to attend school, parents/careers should notify the school in the usual way.

### **Open Days**

Sixth Form students are expected to visit Universities and Colleges during weekends and school holidays. However, a maximum three Open Days may be attended during term time if appropriate letters requesting authorisation for absence are brought in.

### **Interviews**

Sixth formers must, of course, attend interviews at Universities and Colleges during dates allocated by the institutions. It is essential that they keep their Form Tutors informed of these dates.

### **Students with individual needs**

Whilst punctuality and good attendance is an expectation for all pupils at the school, we recognise that this may be more of a challenge for some pupils, including those with special educational needs or disabilities, or those suffering from long term medical conditions or mental health issues. The school will allow for these circumstances when working with such pupils and their parents and will make reasonable adjustments / develop individualised support approaches as appropriate to meet their specific needs. If a pupil has an EHCP, the school will communicate with the local authority if attendance falls or becomes problematic.

The school is committed to supporting pupils who may be absent because of Emotionally Based School Avoidance. Where a pupil is missing school because of EBSA, the school will work closely with professionals supporting the child and the family as it takes a team effort to help the child find a way back into full time education.

### **Reporting to the local authority**

Parents have a legal duty to ensure their children of compulsory school age who are registered at school attend regularly.

Please be aware that we are duty bound to report persistent absence to the local authority. Schools must inform the Local Authority of pupils who fail to attend regularly or have 10 days or more continuous unauthorised absence. The school must also inform the local authority of the full name and address of any pupil of compulsory school age who has been recorded as ill and the school has reasonable grounds to believe will miss 15 days consecutively or cumulatively because of sickness.

The local safeguarding partners will also be informed if absence amounts to a safeguarding concern.

### **Returning to school**

On her return to school, parents must supply a note to the pupil's form tutor/class teacher indicating the cause of the absence. If this is not provided the absence will be investigated and recorded as unauthorised.

It is the responsibility of the pupil to make up any work missed through absence. Sometimes a pupil who has been absent for some time finds it difficult to return. In such circumstances the school will work with the pupil and parents to support reintegration.

## Remote education

The school may, in very limited circumstances, provide remote education to enable pupils who are well enough to learn but not well enough to attend in person, to keep pace with their education. Such arrangements must be mutually agreed by the school, parents or carers, and if appropriate a relevant medical professional, and will normally be time limited.

Pupils who are absent from school but receiving remote education still need to be formally recorded as absent on the register using the most appropriate code. The school will keep a separate record of and monitor the pupil's engagement with remote education.

## Returning to school

Sometimes a student who has been absent for some time finds it difficult to return. In such circumstances the school will work with the pupil and parents to support reintegration.

## Bromley High School Registration procedures

### Punctuality

Pupils are expected to be punctual at all times. If a pupil is late for registration, she must register with her form tutor if possible. Otherwise, she must report to reception and inform a member of staff at the front office of her arrival. They will oversee the signing in process via the InVentry system and input the appropriate code. If a pupil fails to sign in, the school will assume she is absent. Lateness without reasonable cause or explanation from a parent will be deemed to be unauthorised absence.

Absence and Attendance Codes are as per the standard codes issued by DfE and used in SIMS.
