Musical Direction & Arrangements by **Alexander Tilley**

Set & Costume Designer **Chloe Chierico**

Set & Costume Designer **Katy Roberts**

Lighting Designer **Ash Copeland**

Sound Designer **Alan Dufton**

How do neighbourhoods come together and heal?

Following a series of recorded interviews conducted after the brutal murder of five female prostitutes in Ipswich in 2006, Alecky Blythe and Adam Cork created London Road, a hybrid piece where music theatre meets verbatim. Students from Rose Bruford's ground breaking actor musician programme in collaboration with technical, design and management courses present this powerful and moving story.

Content Warnings for LONDON ROAD:

Discussions of Violence, Discussions of Sexual Assault,
Discussions of Murder, Discussions of Sex Work,
Racist Language and Flashing Lights.
