The courses will provide you with the skills and tools to start the next stage of your education, training, or career. We will offer you our support and expertise to develop you both as an actor and a person.

We have a maximum group size to ensure the quality of our teaching, learning, and tutorial support.

### **What happens at the interview?**

- Our meeting will take approximately 30-40 minutes and you will meet two members of staff.
- We will have a chat about your interests.
- We may redirect some or all of one of your speeches. Please do not worry if we don't ask you to do this, every applicant is treated on an individual basis.
- This interview is your opportunity to ask us questions about the course and to see if we are right for you, so we recommend preparing those in advance so that you remember to ask them!

### **What are we looking for?**

- This is a very intensive full-time course and demands discipline, resilience and a deep curiosity about the craft of acting. We are looking for motivated, open and playful students to join our courses.
