## Welcome

Thank you for your interest in working at Elstree. We hope the following information is useful for you:

Set in 150 acres of stunning parkland in rural West Berkshire, only one hour by car from West London, Elstree welcomes boys and girls aged 3-13 years. It is a happy, secure and purposeful environment – an idyllic place for children to be nurtured and inspired.

At Elstree we are academically ambitious and provide a first class all-round education. Our pupils go on to the top senior schools and we are immensely proud of the strong Common Entrance and Scholarship record. The emphasis is on building confidence, developing talent and maximising potential.

Christian values underpin everything we do. Pupils are encouraged to respect one another and to gain a strong sense of personal worth. We pride ourselves on their openness and positive spirit, their good manners and, above all, their ability to contribute fully to the school and make lifelong friends.

It is so easy to complicate education. Whilst it is vital to embrace the challenges of the 21st Century, at Elstree we understand the importance of giving children a proper childhood. Creativity, teamwork and tolerance go hand in hand with a hunger and curiosity to learn and a strong will to succeed.

Whilst Elstree's facilities and approach have modernised hugely in recent years, the aim is still to embed the important values of hard work, kindness to others and making the most of opportunities. Academic achievement coupled with the chance to be involved in sport, music, art and drama, ensure that Elstree remains a preparatory school in the broadest sense of the word.

I would be delighted to welcome you to Elstree to give you the opportunity to see it for yourself.

I look forward to meeting you.

Sid Inglis  
Headmaster

## The School

At Elstree, we aim to find, nurture and develop talent and prepare children for senior school education and life beyond. We support them in their academic journey towards being self-regulated, independent learners. This is reinforced in our Elstree Learner profile: “Working together to create happy, self-regulated learners with life worthy learning skills”

Every child is encouraged to have a go at a very broad range of activities and all of their achievements are celebrated, whatever the field. Thus, they grow up within a happy and productive environment where their teachers aim to ensure that each pupil is given the opportunity to shine in an area of school life which builds confidence and high self-esteem.

Year 3 forms the main point of entry for the new intake of pupils from other schools to join boys and girls from our Pre-Prep Department. Years 3 and 4 are based in the Cooper Classrooms with their changing rooms nearby. They have a Class Teacher who teaches their English, Maths, Science, Geography, History and RS Lessons. The pupils start to become more independent in their movement around the school by going to PE, DT, Art, Music, French and ICT which are taught by specialist teachers. In Year 4 Elstree children become involved in drama (LAMDA) and music and develop all-round strengths. We also offer a myriad of sporting opportunities, musical groups such as choirs and orchestras, as well as art and design technology, fencing, drama productions and dance.

In Years 5 and 6, pupils move to a “Tutor” system and are taught by individual subject specialists for all their subjects and begin to work independently in supervised prep time which is structured within the school day. Their Tutor supports and helps pupils to adjust to organising themselves – being in the right place at the right time, with the right things, having completed any work set. Year 5 also brings the introduction of Saturday School which gives us the opportunity to give more variety and breadth to both the academic and extracurricular programmes and to be part of the boarding house.

Years 7 and 8 begin to have a greater focus on the examinations ahead of them and their target school. Tutors consider how best to guide individuals towards their own goals and how to encourage them to get the best out of themselves. Our strong record of Common Entrance results and Scholarship Awards bears testimony to the success of our approach and our Year 8s leave us as confident young people, without arrogance but with enthusiasm and a readiness to tackle all that lies ahead.

# Elstree School

All our pupils in Years 6-8 have a Microsoft Surface electronic device in class. We believe that this empowers our learners to help them accelerate their academic progress and meet more learning outcomes. At Elstree we believe in an inquiry approach to learning and this balance of technology with tried and tested traditional teaching methods will prepare our pupils in a well-balanced manner for their future lives. A focus on how technology can enhance learning outcomes in each lesson will be at the forefront of our minds. Our IT suite, laptops and trolley of devices is available for the younger years to enable a more digital learning delivery further across the school.
