Elstree School

Welcome

Thank you for your interest in our Resident Graduate Assistant role at Elstree Preparatory School. We hope the following information is useful for you:

Set in 150 acres of stunning parkland in rural West Berkshire, Elstree welcomes boys and girls aged 2-13 years. Originally founded in 1848, Elstree moved to its current location in 1939 and opened its Pre-Prep in 1993. It offers full, weekly and flexi boarding from Year 4 onwards.

About the school

We are a close community and pride ourselves on the very special, warm environment, influenced largely by the family principles of Elstree School. We understand each parent's desire for their child to feel happy and secure. We consider our role in the children's development and happiness to be a very privileged one. Our committed, energetic and enthusiastic staff look forward to working in partnership with parents throughout their child's time at Elstree. All children are valued as individuals and are encouraged to explore and develop their talents to the full.

School Life

Whilst the emphasis on the academic side is vital, every child is encouraged to have a go at a very broad range of activities and all of their achievements are celebrated, whatever the field. Our teachers ensure that each child is given the opportunity to shine in many areas of school life and so develop a sense of accomplishment and personal worth.

Boarding

We firmly believe in the benefits of the boarding experience. It enables pupils to learn to live as part of a community; to build up their self-confidence, independence and organisation skills; to pursue a wealth of activities and interests and to build up strong friendships. There is a wide range of Boarders' Clubs to get involved in – from torchlight games to cookery, Scalextric and board games to judo and touch rugby and many more.

Elstree School

Academic

Our whole school Curriculum Policy offers a wide choice of experiences, skills and subjects from the Early Years Foundation Stage (EYFS), through Key Stages 1 & 2, to Common Entrance and Scholarship level. We aim to realise the highest academic expectations for all pupils within a framework of proven learning techniques and innovative and exciting teaching methods.

Performing & Creative Arts

Alongside the pursuit of academic excellence, rooted in the School's ethos is the importance of giving children a proper childhood; participating in group and individual activities that develop their own characters and relationships with others. Art, Music, Drama and DT are therefore vital subjects in the education of children and it is important they receive equal standing with all other parts of the curriculum.

Sports

Elstree offers a broad and extensive range of sports in the weekly games programme and gives every child the opportunity to unlock and maximise their potential. It is fully inclusive and aims to challenge, develop and improve their knowledge and skills at the appropriate level. We are fortunate to have highly experienced and dedicated staff who coach both junior (Year 3 and 4) games and senior (Year 5-8) games every day.
