

Learning Habits Framework

Resilient Learners:

- You look for alternative approaches to finding solutions
- Take risks to achieve your objectives
- Try again until you succeed or move forward.

CREATIVITY & CURIOSITY

Creative and Curious Learners:

- You ask important questions and extend your learning
- Try to look beyond what is obvious
- Generate ideas and consider alternative reasons and ways.

Collaborative Learners:

- You see the benefit of working with others
- Show respect and value what others offer
- Identify, select and use resources successfully.

REFLECTION

Reflective Learners:

- You take time to improve your work
- Seek advice to develop and benefit from your learning
- Act on feedback and do things in better ways.

Do you *know* how you learn most successfully? Do you *do*, do you *hear*, do you *see*? How *high* do you aim?
