It is especially important to check that pens, calculators, hockey sticks, tennis rackets etc are all marked. Additional labels can be ordered from the Playerlayer website if required.

Tumble drying

Because of the difficulties in drying large quantities of clothes, particularly in the winter months, it is necessary to tumble dry all of the children's clothes. It is, therefore, very important that **ALL** clothes brought back to school carry a label which ensures they can be tumble dried.

In the short holidays all uniform except that worn for travelling will be kept at school, though winter games clothes will be sent home with those children living in this country at the end of the spring term. Children living overseas will leave everything at school in all the holidays unless parents request otherwise.

All items should be clearly named

CLASSROOM EQUIPMENT

Children in Years 3 and 4

Stationery equipment is provided but they can have the following:

- Pencil case, pencils, pencil sharpener, rubber
- A good quality ink pen (this would be required once the children have gained their pen passports)
- Spare cartridges (royal blue washable only)
- Berol handwriting pen (Handhugger for Year 3)
- 30cm rigid ruler
- Pritt stick

Children in Years 5, 6, 7 and 8 require:

- Pencil case including pencil crayons, felt tipped pens, Pritt stick, pencil sharpener, rubber etc.
- A good quality ink pen
- Spare cartridges (royal blue washable only)
- 30cm rigid ruler
- Full geometry set including protractor and a pair of compasses
- Scientific calculator (we recommend a Casio fx-83GT or Casio fx-85GTX)
- A small French dictionary (eg Collins French Pocket Dictionary ISBN 978-0-00-748547-5)
- In addition, children in Years 7 and 8 require a stylus for use with their iPad – Apple Pencil (<https://www.amazon.co.uk/Apple-MK0C2AM-A-Pencil/dp/B016NY7784>) or similar (<https://www.amazon.co.uk/gp/product/B08FJB9M5G>).

Optional

- Electronic Spellmaster or other spell checker

A keyboard for children in Years 7 and 8 would be beneficial – for example <https://www.amazon.co.uk/gp/product/B081Z3VZS5>. Some individuals prefer to use keyboard cases, but they can be expensive and may not fit future generation iPads. It is vital that keyboard cases offer adequate protection for our accidental damage insurance policy. A standard protective case will be issued with the iPad, but an example of an approved keyboard case is: <https://www.amazon.co.uk/Logitech-Generation-Keyboard-Connector-Technology/dp/B07W6J5FB2>.

Only washable blue ink should be used in school, never permanent black ink.
