INSTRUMENTAL COURSE

£305

Director : Luke Pinkstone

Musicale Cambridge offers a fun and dynamic course for instrumentalists of all abilities. We learn a huge and eclectic programme of music during the course, aiming for a high musical standard, but achieved with maximum fun!

The majority of the week is spent working together as one large orchestra, but we also form a samba drumming group, a choir, and split into smaller groups (wind and string band). There is even a jazz band that rehearses at lunchtimes, focusing on improvisation! As well as a big performance at the end of the week for friends and family, course members can also take part in the mid-week solos concert and perform their favourite tune to a friendly audience.

We boast an impressive staff list. Our inspirational and versatile staff members are all active in the music industry, performing live in various projects, bands and orchestras as well as regular educational work. With a wealth of experience and expertise, it's their passion for music education that brings them together for this course. The regular team has credentials including: Ronnie Scott's Jazz Club, The Barbican Theatre, BBC Radio 2 and Radio 4, various European festival gigs, arena tours of War of the Worlds, and a performance at the London Palladium with guitar legend Brian May.

At Cambridge Musicale course we play everything including pop, classical, jazz, Latin, film music and beyond, and anyone can join the fun! Any instrumentalist is welcome to join the party - strings, woodwind, brass, guitars and drums.

STEP-UP TO MUSIC!

£275

(Age range 5 - 9)

Step-Up to Music! is an opportunity for 5 - 9 year olds to get hands on experience of musical instruments. All the children will use the recorder and be introduced to the Lyons C Clarinet, as well as other orchestral and band instruments.

Step-Up to Music! will explore aspects of music making through fun activities which will include performing songs and creating sound pictures using tuned and untuned percussion instruments, all based on a carefully selected theme. The week ends with a presentation by the children in front of an audience of family and friends, showing a selection of the musical skills they have learnt.

Children who have just started instrumental lessons, and who feel that they are not quite ready for the instrumental course, are also very welcome to apply for Step-Up to Music!

To sum up, Step-Up to Music! is designed to inspire children to play a musical instrument. It is very pleasing that each year, a significant number of past Step-Up to Music! children return to Musicale Holidays as instrumentalists.

Caterham Musicale is held in Caterham School. We welcome players of all standards and perform repertoire from a wide range of genres - from classical works to film scores, popular music and jazz standards. In addition to the string orchestra and wind band we perform works for full orchestra as well as splitting into smaller groups such as string quartets, brass ensembles, double reed ensembles, flute groups, percussion ensembles and Jazz band directed by our team of professional staff and student helpers. We also have a fantastic choir and barber shop group led by our experienced vocal coach. During this busy week we still find time for outdoor activities such as rounders matches.

The culmination of the week is a concert on the Friday night at which we perform a selection of music covered during the course. There is a 'Glyndebourne' style interval and parents are encouraged to bring a picnic to enjoy on the lawns.
