Bikeability Course

The infamous Bikeability course will be returning to St Faith's. These excellent sessions provide a fantastic opportunity for pupils to increase their confidence on their bikes. Children will learn more about road safety and how to properly maintain their bike. Due to the popularity of these courses bookings will fill up quickly.

Multi-Activity

The course will be open to children who are currently at St Faith's. Numbers on the course will be limited and a policy of first come first served will be adopted. Activities include tennis, badminton, cricket, rounder's, football, swimming, basketball, volleyball, table tennis, team superstars and others (some of these activities may be affected by the weather, the age of children and the numbers involved).

Pre Prep Playshop

Play Shop provides a happy and familiar environment for the children to be with their friends. They will be able to participate in a wide variety of art, craft and physical play activities. The venue is the Pre Prep Year 1 classrooms located beside the rear playground of Southfield. Weather permitting the children will free-flow between the classrooms and the outside play area. Playshop is available for current St Faith's pupils in the Pre Prep.

Art and Design Workshops

The Art and Design Workshops are open to children currently at St Faith's and also children from other Cambridge Prep schools. Numbers on the course will be limited.

A policy of first come first served will be adopted. Children may book on a day-to-day basis or for the full week.
