

## Year 8 Charity Challenge Update

Over half our Year 8 pupils have chosen to take part in the £5 Charity Challenge to raise money for the children at Makukhanye School. They have received their loans from school and one pupil has already raised £120! Some of them will be running stalls on Tuesday next week to sell cakes, brownies, flapjacks, sweets, fiddle toys and dog treats. The stalls will operate at morning break to sell cakes to the pupils and a selection of stalls will operate after school to enable parents to buy plants, dog treats and cakes. Please consider supporting our Year 8 entrepreneurs in raising money for a very worthy cause.

Miss Kennerley  
Head of Chaucer House
