

St Faith's vs Old Fidelians Chess Match

The last day before half term saw the annual chess match between the current pupils and Old Fidelians. It was lovely to see so many former pupils, even though two of them had the audacity to be taller than Mr Mitchell. It was a closely-contested match, with the current pupils edging it by $4\frac{1}{2}$ to $3\frac{1}{2}$.

West Anglia Megafinal

During half term, St Faith's had the honour of hosting the West Anglia Megafinal for the top chess players from local counties. Well done to the following St Faith's pupils for both qualifying and competing in the competition: Rayyan A, Amer A, George C, Rocco F, Saisha M, Ada O, Ryan S, Qiao W and Zack W.

Further congratulations to Rayyan, Amer, Ryan and Qiao for securing enough points to qualify for the Gigafinal in the summer! We wish them luck.
