

Jeans for Genes Day

Friday 20th September 2019

Jeans for Genes day helps to transform the lives of some of the most vulnerable children in the UK. By wearing jeans and making a donation, we can help to provide vital care, equipment and activities for the 1 in 25 children who has a life-altering genetic disorder. If you would like further information about this, please go to jeansforgenes.org

On Friday 20th September the children (and staff) are invited to come into school in jeans but otherwise in full school uniform (white shirts, ties and blazers for children in Years 3 to 8 and their normal tops in Pre-Prep), paying £1.00 for the privilege and thereby raising money to help children with genetic disorders. Please could parents ensure that, if children wish to join in with this fundraiser, their jeans are clean and tidy and not ripped or held together with safety-pins; and that if denim skirts are worn by girls, they are not shorter than knee length, as for their uniform skirts? As always, it is entirely in order for children not to participate if they choose not to do so. Money should be brought in to your child's class teacher or tutor on the morning of Friday 20th September.
