

OPEN CAMBRIDGE

Sometimes we forget what a unique position we are living in a city like Cambridge. An opportunity to get to know the city better is taking place this weekend. **OPEN CAMBRIDGE** is an event when many buildings, normally out of bounds, open their doors to the general public. So check out the following website for more information and take the family along to one of the many places on offer, be it one of the College Libraries, Cambridge Observatory or elsewhere.
