## School Courses Details

### Code Camp (previously known as Multi Hack)

Code Camp will be five full days devoted to Computing with a mix of coding, robotics, and other topics. The course will be for a maximum of 20 children at St Faith's, on a first-come, first-served basis.

### Why?

- To foster a love of Computer Science
- To extend the most able and/or interested beyond our curriculum
- To provide our parents with a more convenient alternative to the activities run by HackLab and others

### Cookery School

Become a chef, learning how to cook some delicious dishes. The children will work through lots of recipes from starters, mains to desserts, creating dishes which are easy to repeat at home.

### Bikeability Course

The infamous Bikeability course will be returning to St Faith's. These excellent sessions provide a fantastic opportunity for pupils to increase their confidence on their bikes. Children will learn more about road safety and how to properly maintain their bike. Due to the popularity of these courses bookings will fill up quickly.

## **Multi-Activity**

The course will be open to children who are currently at St Faith's. Numbers on the course will be limited and a policy of first-come, first-served will be adopted. Activities include tennis, badminton, cricket, rounder's, football, swimming, basketball, volleyball, table tennis, team superstars and others (some of these activities may be affected by the weather, the age of children and the numbers involved).

## **Pre Prep Playshop**

Play Shop provides a happy and familiar environment for the children to be with their friends. They will be able to participate in a wide variety of art, craft and physical play activities. The venue is the Pre Prep Year 1 classrooms located beside the rear playground of Southfield. Weather permitting the children will free-flow between the classrooms and the outside play area. Playshop is available for current St Faith's pupils in the Pre Prep.

## **Art and Design Workshops**

The Art and Design Workshops are open to children currently at St Faith's and also children from other Cambridge Prep schools. Numbers on the course will be limited.

A policy of first-come, first-served will be adopted. Children may book on a day-to-day basis or for the full week.

# Health and Safety

We assess the risks for every activity separately and documentation may be viewed by parents on request to the School Office. To further enhance safety, fire drills are held regularly for each course and registers are taken for all participants. Our staff are cleared by the Disclosure and Barring Service ('DBS checked') and a trained first aider will be present on the School site at all times. St Faith's benefits from a secure perimeter and access by visitors to the School is controlled.

# Arrival

Access will vary depending on the activity. If in doubt, please go straight to the School Office where staff will guide you to the appropriate location.
