

Cambridgeshire Chess Championship

Our A-team played the crunch match against their rivals for 3rd place, King's Cambridge B, on Saturday and drew 3-3, meaning we remain a point behind. However, we clawed the deficit back over the next two matches and are now tied for the bronze with six games left. We need to keep winning by the biggest margins possible and pray that they slip up!

Meanwhile, our B-team are sitting pretty in 8th place, just a point and half a behind the team in 5th. They also managed to take 1.5 points from King's which has had a major impact on the title race.

Our C-team defeated the Perse Prep A-team 4-2 and are only a couple of points away from the top 10, and our Ds are not far behind in 20th.

Here is the league table. Merry Christmas and a Happy New Year. The league resumes on Saturday 1st February 2020.

Position	School	Played	Points
1	St Matthew's	9	47
2	King's Cambridge A	9	45.5
