

Congratulations

Congratulations to Daisy (FCB) who contributed to the NHS Charities Together programme which was organised by the UK Chinese community. The programme was broadcasted for the first time on Youtube last Saturday evening and it will also be shown on one of the biggest social media channels in China. The concert has already raised a good amount of money for the NHS.

You will have read last week about Year 8 pupils, Ewan, Callum and Rory, who were planning a socially distanced triathlon when Rory would cycle 77km, Ewan swim 7.5 km and Callum run 12km. The boys are very pleased to report that, so far, they have raised the magnificent sum of £650 in aid of Makukhanye School. Congratulations to Ewan, Callum and Rory and thank you for this substantial donation.
