

# Important Information for Parents of Children leaving St Faith's this July

You may wish to make a note that your access to the VLE, and that of your child, will cease as soon as the children leave us on the final day of term (3<sup>rd</sup> July). This is due to the fact that our VLE logins are fed by our registration system. **Please ensure you have saved or printed copies of your child's L & A grade reports (pre-2018) before 3<sup>rd</sup> July.**

You will continue to have access to your My School Portal account **for one year after your child has left us**, so you will still be able to access the 2019/20 L & A grade reports and the most recent End-of-Year report until July 2021 when the account will then become inactive. *Years F, 6 & 8 reports are visible now; Years 1 & 2 reports will be visible from 10<sup>th</sup> July; Years 5 & 7 reports will be visible from 15<sup>th</sup> July; Years 3 & 4 reports will be visible from 31<sup>st</sup> July.*
