

## Year 8 Science

This week in Science, Year 8 have begun learning about reactivity. When challenged to come up with a mnemonic to help remember the reactivity series there were some witty, creative and topical ideas, this example from Sofi was a particular highlight.

Party  
Snakes  
Can  
Move  
Amazingly  
Carelessly  
Zooming  
In  
To  
Little  
Houses  
Causing  
Such  
Great  
Panic
