

Registration Reminder – Years 3-8

This is a gentle reminder that, for Years 3-8 pupils, registration is taken at 08:20. Children should be in their classroom by that time.

Now that the drop-off routine is established, please note that Gate 2 and the Newton Road entrance will close at 08:20. If you arrive after that time, or if your child misses registration, they should access the site via Gate 1 pedestrian gate (School House) and go to the School Office to sign in.
