A Message from Shrewsbury School

Thank you very much indeed for whole-heartedly embracing our virtual cross country championships 2020. We were completely overwhelmed by the response to this virtual event and would like to thank every pupil for taking part – we now know that around 1000 pupils ran the race, which demonstrates a real passion for the sport! We are delighted that you were able to share such wonderful event coverage with us and have great pleasure in sharing a short video compilation and the results presentation. Do, of course, feel free to share this with your pupils and parents:

https://vimeo.com/473833057

The overall winners are announced in our film. The results are most impressive and reflect great determination and your event coverage shows incredible sporting spirit, often in challenging weather conditions and along tricky terrain with some rather inventive race obstacles! Well done to all involved, we hope you've had as much fun as we have, and we look forward to another fantastic race in 2021!

Best obstacle:

1st Place: Belhaven (who tackled a river, low bridge and sea inlet)
Runner up: Ardvreck (who tackled a river and a rope climb)

Best event coverage:

1st Place: Mowden Hall
Runner up: Cothill

Many congratulations to Old Hall School, the overall race winners!

All runners from all schools will receive certificates of participation (making their way to you in an upcoming house assembly), with our thanks for taking part. Medals will also be on their way shortly, for 1st, 2nd & 3rd place in each race category, and prizes for the best obstacle and film.

With our thanks and congratulations to all involved!

Best wishes

Sam, Dan and Kate

Sam Griffiths, Race Organiser
Dan Nicholas, Prep School Liaison
Kate Evason, Marketing Manager
