

Pre-prep has been cooking up a **Spanish** storm!

Lockdown has seen some fantastic Spanish dishes and desserts being created in many St Faith's households around Cambridge, and I have enjoyed seeing so many fantastic pictures and discussing the dishes with the classes.

Here are some pictures of all our fantastic Pre-Prep chefs (and their siblings).

Have a look at the Spanish Sabores website for some inspiration (<https://spanishsabores.com>).

iHasta pronto amigos!
