School Course Details

Code Camp

Code Camp will be five full days devoted to computing with a mix of coding, robotics, and other topics. The course will be for a maximum of 20 children each week.

Why?

- To foster a love of Computer Science
- To extend the most able and/or interested beyond our curriculum
- To provide our parents with a more convenient alternative to the activities run by HackLab and others

Cookery School

Become a chef, learning how to cook some delicious dishes. The children will work through lots of recipes from starters, mains to desserts, creating dishes which are easy to repeat at home. The course is five days and will be for a maximum of 10 children each week.

Multi-Activity

Activities include tennis, badminton, cricket, rounder's, football, swimming, basketball, volleyball, table tennis, team superstars and others (some of these activities may be affected by the weather, current Government advice related to Covid-19, the age of children and the numbers involved). Children may attend book on a day-to-day or week-by-week basis. Numbers on the course will be limited to 40 each day.

Little Wyverns (previously known as Pre Prep Playshop)

Little Wyverns provides a happy and familiar environment for the children to be with their friends. They will be able to participate in a wide variety of art, craft and physical play activities. The venue is the Pre Prep Annex classrooms located beside the rear playground of Southfield. Weather permitting the children will free-flow between the classrooms and the outside play area.

Art and Design Workshops (Monday to Thursdays)

The Art and Design Workshop is an opportunity for children to get creative with different resources and techniques and for them to develop new skills under the guidance of Mrs Bowes, Ms Ankin and Ms Smith.

Numbers on the course will be limited to 20 each day. Children may book on a day-to-day basis or for the full week.

Bikeability Courses

The infamous Bikeability courses will be returning to St Faith's. These excellent sessions provide a fantastic opportunity for pupils to increase their confidence on their bikes. Children will learn more about road safety and how to properly maintain their bike. Due to the popularity of these courses bookings they will fill up quickly. Numbers on each course will be limited to 12.

Health and Safety

We assess the risks for every activity separately and documentation may be viewed by parents on request to the School Office. To further enhance safety, fire drills are held regularly for each course and registers are taken for all participants. Our staff are cleared by the Disclosure and Barring Service ('DBS checked') and a trained first aider will be present on the school site at all times. St Faith's benefits from a secure perimeter and access by visitors to the School is controlled.

Arrival and Departure

Drop-off and pick-up will be at Newton Road for Years 3 – 8. Pre Prep pupils (along with their older siblings) will enter and exit via Gate 4 each day. Times are listed on the JotForms when signing up and a reminder will be sent via email when places are confirmed. If in doubt, please ask the School Office where staff will be able to advise you.

Barracudas

Barracudas offers holiday activity day camps in England for children aged between **4½ to 16 years**.

They've been running the **UK's favourite activity day camps** for 24 years now, and boast having a fantastic and experienced team who make sure your children always have a brilliant time with them.

Their promise to you

Their enthusiastic staff will give your children such an amazing experience that they won't be able to wait to come back!

Their activity day camps will be better than any other.

Children will always have a CHOICE of activities, every session.

Staff will be 100% raring to go to deliver a fantastic FUN programme for kids.

They confirm that they operate Covid-19 Secure Camps and are committed to the safety and security of children and staff at camp. They have a dedicated team making sure they are fully up to date with current Covid-19 guidance and have developed key strategies to ensure their camps remain Covid-19 secure.
