

Overdue Library Books

As we near the end of another year, we would like to encourage pupils to return all overdue library books. We would be very grateful if pupils could collect up any finished library books at home and return them by Friday 8th July. Pupils are being notified by tutors and the librarians of any overdue books.

If you are leaving St Faith's it is very important that all library books are returned to avoid a replacement charge at the end of term.

Books can be returned during classroom library visits or at breaktimes and late stay.

Pupils who are returning in September are welcome to borrow books for the summer holidays and this will be done during the final week of term.

Very many thanks for your help.

Best wishes,

Miss Johnson

Librarian
