Arrival

Access to the school site for the course will vary depending on the activity; information will be sent out prior to the course. If in doubt, please ask the School Office staff who will be able to advise you.

School Course Information

Multi-Activity

Activities include tennis, badminton, cricket, rounders, football, swimming, basketball, volleyball, table tennis, team superstars and others (some of these activities may be affected by the weather, the age of children and the numbers involved). Children may book on a day to day or week by week basis. Numbers on the course will be limited.

Code Camp

Code Camp will be five full days devoted to computing with a mix of coding, robotics, and other topics. The course will be for a maximum of 20 children each week.

- To foster a love of Computer Science
- To extend the most able and/or interested beyond our curriculum
- To provide our parents with a more convenient alternative to the activities run by HackLab and others

Cookery School

Become a chef, learning how to cook some delicious dishes. The children will work through lots of recipes from starters, mains to desserts, creating dishes which are easy to repeat at home. The course is five days and will be for a maximum of 10 children each week.

Little Wyverns (previously known as Pre Prep Playshop)

Little Wyverns provides a happy and familiar environment for the children to be with their friends. They will be able to participate in a wide variety of art, craft and physical play activities. The venue is the Pre Prep Annex classrooms located beside the rear playground of Southfield. Weather permitting the children will free-flow between the classrooms and the outside play area.

Art and Design Workshops

The Art and Design Workshop is an opportunity for children to get creative with different resources and techniques and for them to develop new skills under the guidance of Ms Ankin and Ms Smith.

Numbers on the course will be limited to 20 each day. Children may book on a day-to-day basis or for the full set of days that the course is running.

Drama and Art Workshops

The Drama Workshops are an opportunity for children to develop their performance skills by getting involved in a variety of dramatic activities and fun games alongside Mrs McGregor. Pupils will also have the chance to get creative with different art resources and techniques and develop new artistic skills under the guidance of Ms Ankin in the Art Rooms.

Pupils will also have the chance to get creative with different art resources and techniques and develop new artistic skills under the guidance of Ms Ankin in the Art Rooms.

Numbers on the course will be limited to 20 each day. Children may book on a day-to-day basis or for the full set of days that the course is running.

Bikeability Courses

The infamous Bikeability courses will be returning to St Faith's. These excellent sessions provide a fantastic opportunity for pupils to increase their confidence on their bikes. Children will learn more about road safety and how to properly maintain their bike.

Due to the popularity of these courses bookings they will fill up quickly. Numbers on each course will be limited to 12.

Health and Safety

We assess the risks for every activity separately and documentation may be viewed by parents on request to the School Office. To further enhance safety, fire drills are held regularly for each course and registers are taken for all participants. Our staff are cleared by the Disclosure and Barring Service ('DBS checked') and a trained first aider will be present on the school site at all times. St Faith's benefits from a secure perimeter and access by visitors to the School is strictly controlled.
