

Foundation

We have loved sharing the story 'Lost and Found' this week, making posters about the lost penguin, painting penguins, following instructions to draw a penguin and designing and making boats for the boy and his new friend to sail to the Antarctic in. Thank you very much for all the amazing junk modelling – please do keep sending it in, cardboard boxes of different shapes and sizes are especially welcome!

Next week is a busy one, with our 'Patterns and Pastries' events on Monday (FAH), Tuesday (FAD) and Thursday (FVH) during our drop off times. Please see My School Portal for further details.

On Friday we will be celebrating NSPCC Number Day and invite the children to come into school dressed as their favourite number, or with numerals on their clothes. As ever, it is entirely appropriate for the children to choose to wear their usual school uniform, if they so wish.

Our teachers will also be welcoming some of our Foundation 24 families to join us for breakfast on the coming Fridays – how can it be a year since we were seeing some of you in the Dining Room?! If you are coming to school breakfasts in the next few weeks, please do say hello!

This weekend is the RSPB Big Birdwatch. For homework this weekend, we would like the children to join in. Please see the details posted by Mrs Scott on Seesaw where the children can make a tally chart if they wish. For further details, please visit [Birdwatch](#).

With best wishes for a lovely weekend,

The Foundation Team
