

Year 5 Boys Hockey

Thompson Tournament

This term, for the Year 5 Boys, the 'Caven Cup for Rugby' was replaced by the 'Thompson Tournament for Hockey'.

Each Wednesday morning, in their Games lessons, the boys have been competing over the past 7 weeks in a series of Hockey matches between each of the eight mixed-ability World Cup teams. Every week there has been a different focus on how pupils could win points for their team such as good team work, different scorers for each goal scored, switching the play to the left/right wings, successful jab tackles and scoring goals!

This week saw the boys play in the final round of matches and it was all to play for with the placings still up for grabs before 'Argentina' secured the title this year. There were some fantastic skills on display and the boys have made great progress in their game play since their first Hockey lessons in December.

The final standings can be seen below:
