

Netball House Matches

The pupils from years 6, 7&8 competed in Netball House Matches this Wednesday. The pupils should be proud of the performance, passion, enjoyment, competitive spirit and teamwork that was on display. It was a great inter-house tournament of netball and shows how hard they have worked to improve their skills this netball term. What an excellent way for them all to end the season, doing their houses proud and cheering each other on!
