Year 4 – 4B

Year 5 - Both

Year 6 – 6A

Apologies: 1M, 2H, 4R, 6Z

### Opening Prayers

Saron

### Minutes

Chn discussed the definition of climate and the necessity of having a climate action plan.

Introduction to Rebecca Ellis

4 areas to be covered:-

Biodiversity – variety of nature.

Millions of species with lots of purposes.

Suggestions from:-

Louis – area in adventure which could be used for raised planters

Y1 – more flowers in raised planters

India – use space on either side tree pits

Plants in classroom to be looked after by school council

Allotted space for each year group.

Promote nature based trip

Decarbonisation –

Reduce factors for carbonisation.

Suggestion: Use Google Classroom for homework

Currently Homework sheets given

Year 1 – Yes

Year 2 – Yes

Year 3 – No

Year 4 – No

Year 5 – Yes

Year 6 – No

Lights switches monitor

Increase/promote recycling & reselling clothes & scooters

Adaptation & Resilience –

Suggestion – have solar panels – already have some in school

Rainwater could be collected in water butts to water plants

Climate Education & Green Careers

Currently do: After School Club – Make, Take, Create – recycle materials

Oceans assemblies

Geography - e.g. recycling iron ore (Natural Resources)

RHE – Being My Best – looking at waste

Y1 Science – Mammals

Suggestion: Use Eco-Cubs science website especially KS1

To learn about activists

To raise awareness about environmental charities.

To have a whole school assembly to raise awareness of climate change.

Actions to be taken

All school councillors to take these ideas back to the classroom – get feedback from class.

Next Meeting:

To be confirmed.
