- Request for lasagne. Jessie again discussed that this meal was more seasonal for autumn/winter.
- Positive feedback for the one-tray bake.
- Request for quiche, specifically quiche lorriane.
- Sushi requested. Jessie discussed the logistics around this and the cost implications.
- Children commented on a shortage of forks.
- Feedback that the shepherd's pie isn't a favourite.

Children had the opportunity to taste an upcoming dessert offering: frozen yogurt with fruit. Positive feedback but comments to add more honey.
